Question Generation and Theme Worksheet

Now that you have completed your novel, write one of each of the following questions based on the whole novel, not just the part you read last night.

Evaluation: _____

_____

Compare/Contrast: _____

_____

Cause/Effect: _____

_____

Idea to Example: _____

_____

Theme is the central thought or underlying message that meaningfully ties the plot, setting, and characters together. There can be more than one theme or underlying author's message in a novel. Based on the novel you have just read, what would you say is/are the major theme(s)? Explain your choice(s) by citing examples from your novel.
