

## **Planning Guide for the Second Literature Circle**

- In your groups you will need to plan your discussions, tasks, and final discussion around the due dates.
- As a group you will need to divide your reading material into reading an agreed upon number of pages per night so that you are prepared for the daily class discussions.
- You are responsible for coming to class prepared by having done the reading and completed the discussion sheet. All materials need to be in your Literature Circle Portfolio Folder. They must be in order and neatly organized.
- Each night you will finish your reading and complete the discussion preparation sheet so that you will come to your group ready to discuss the pages read.
- You and your group will be assessed; therefore, you will need to participate correctly and keep up with your assignments on a daily basis.
- You will have an oral as well as written task that will need to be completed for the final group discussion.
