

The Magic Bunny and the Bad Dog

by Ella Dempsey-Blair

Once upon a time there lived a bunny.

He was magic.

-2-

He lived in Candyland.

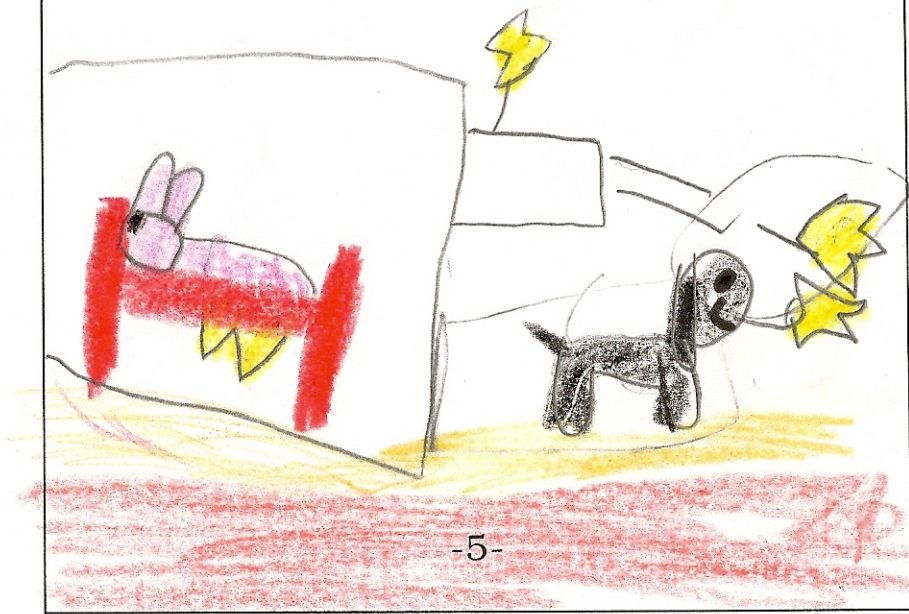

-3-

A bad dog lived in Candyland. He was a robber. He was jealous of the bunny. He wanted the magic wand.

One night the bunny fell asleep. The dog stole the wand.

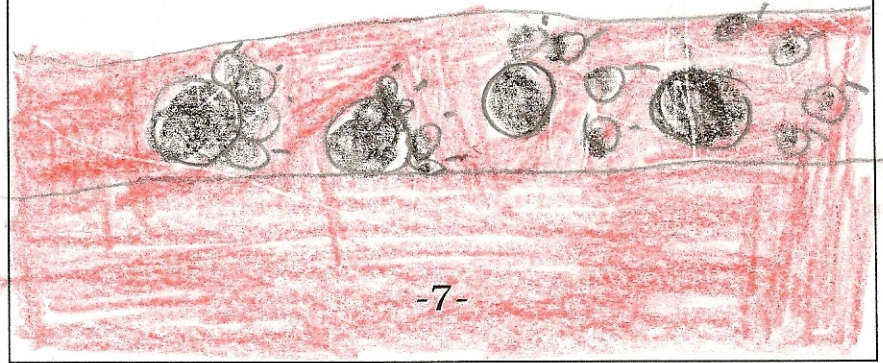

The bunny woke up! He was angry
because his wand was gone

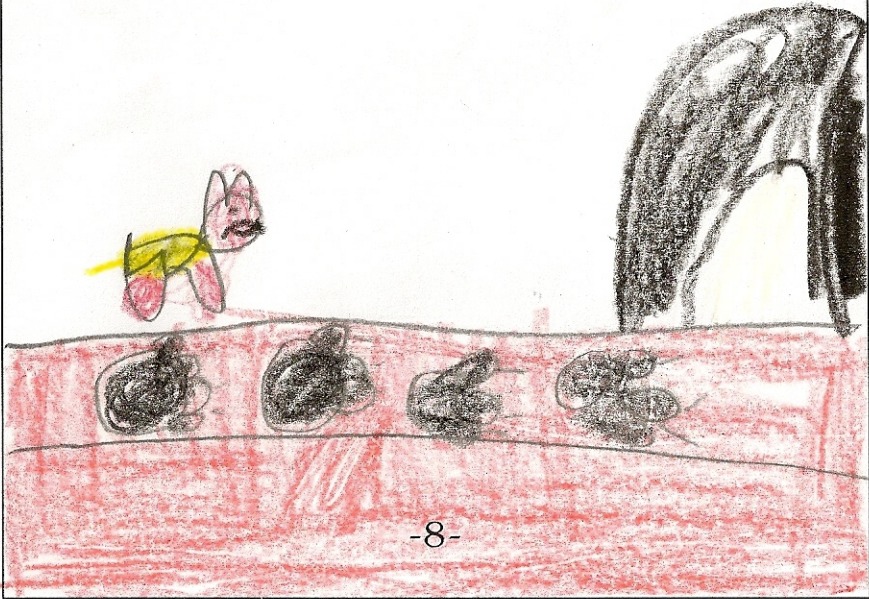

-6-

He saw dog footprints. He knew the
dog took the wand.

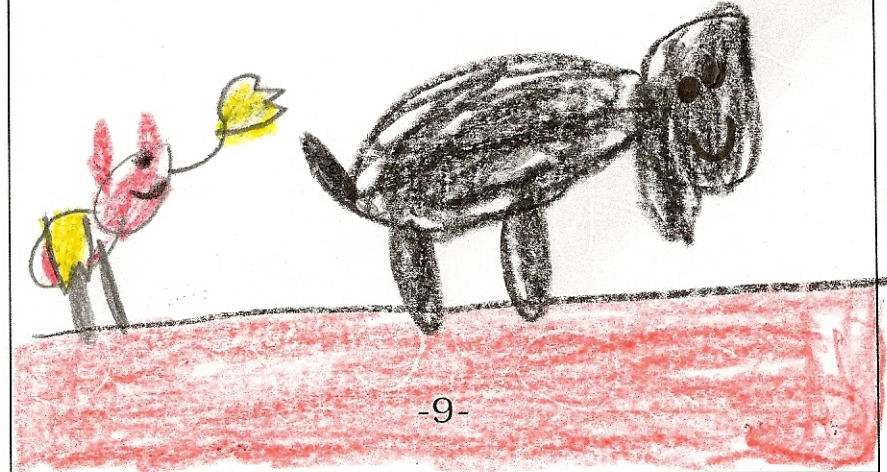

-7-

He followed the footprints to the dog's house.

While the dog wasn't looking he took the wand.

The dog learned a lesson and never
did anything mean again.
