

A Good Day

by Sophia Stafford

It was a bad day.

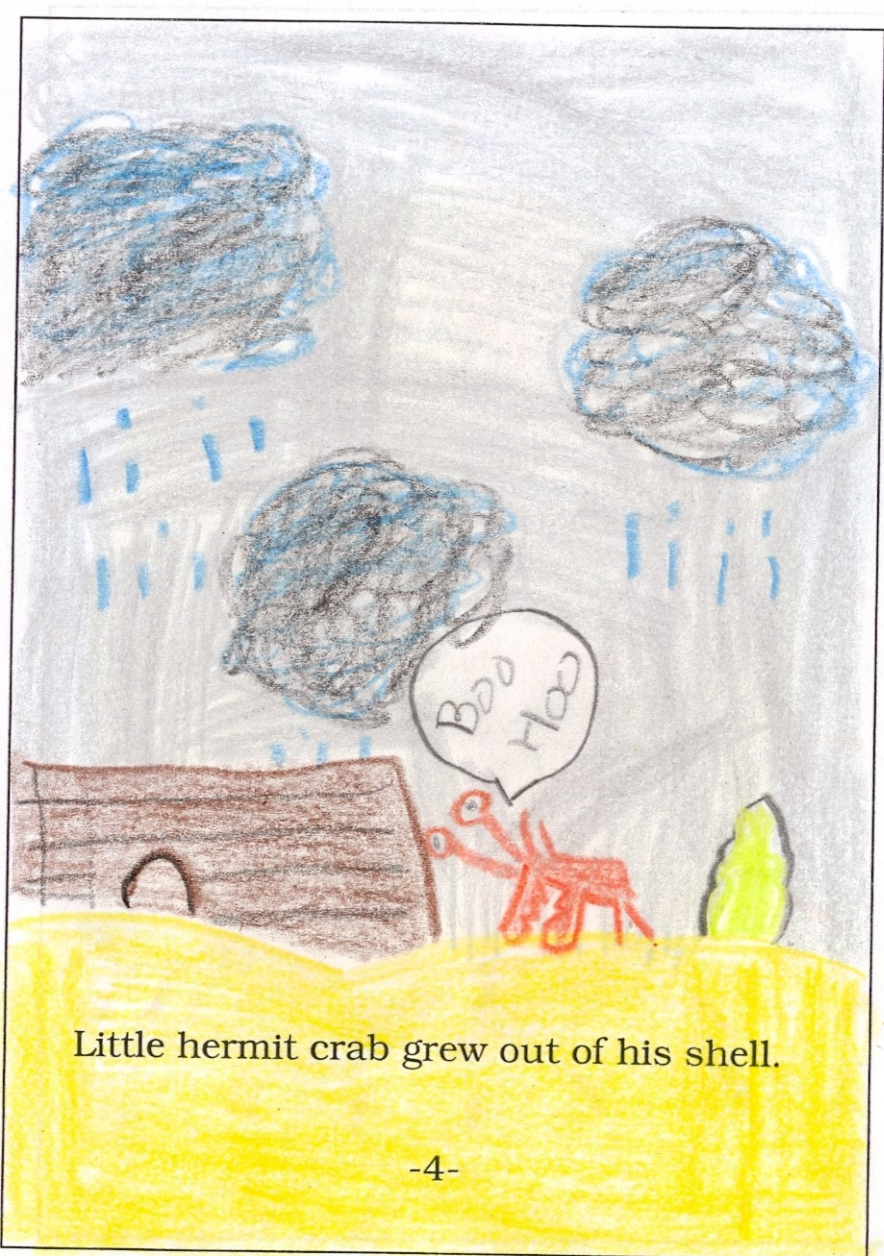

Little horse lost his horseshoe.

Kitten lost his ball of yarn.

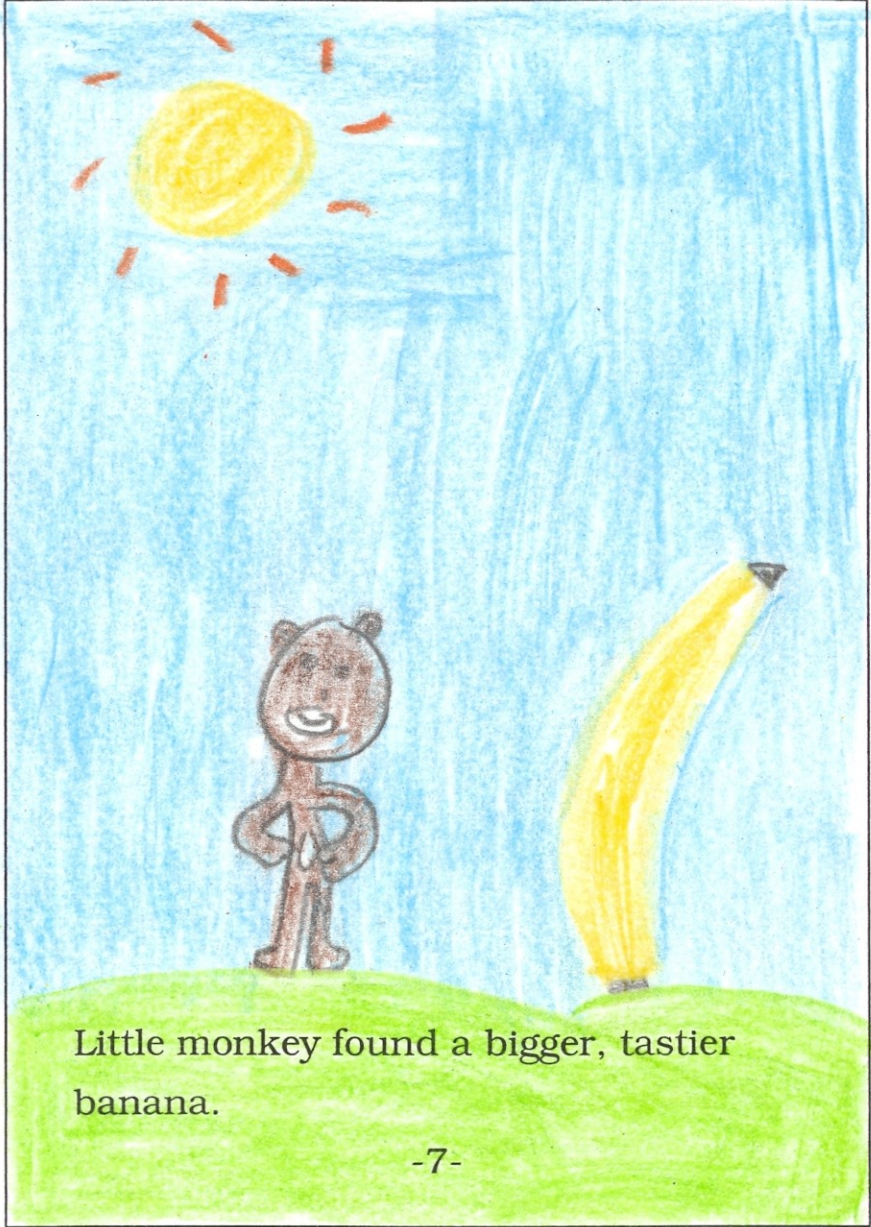

Little hermit crab grew out of his shell.

Monkey lost his little banana.

But then...

Little monkey found a bigger, tastier
banana.

Little hermit crab moved in a bigger,
more colorful shell.

Little kitten found a catnip mouse
made of cloth.

Little horse's owner gave him a new shoe and he trotted better than he ever had before.

But there's more ...

A little girl was digging in the garden
and found a horseshoe and said,
"Mommy, what a good day!"
