

# Invitation to Join Our WonderQuest

Name: \_\_\_\_\_ Date: \_\_\_\_\_

## I wonder . . .

- where lightning and thunder come from
- how birds fly for a long time without needing a break
- why wars happen
- what's inside a baseball
- 
- 
- 

How can you learn more about these things?

## Join our **WonderQuest!**

If you would like to take part in this **OPTIONAL** activity, follow the steps below:

1. Choose a topic you want to learn more about from the list above. These are the questions that we placed on our classroom Question Kiosk. (If you prefer, talk with your family and choose something new that you are interested in learning about! Be sure to share your question with your teacher first, before beginning your research.)
2. Do research at home or the public library using any resources you'd like.
3. Complete the attached "WonderQuest" activity sheet.
4. Return your research project to the teacher by \_\_\_\_\_ to earn **EXTRA CREDIT!**
