Work Plan Form, *continued*

Sharing Plan: How do you see yourselves sharing your learning with other kids, with the school and/or community? What format or structure could you use? Who will be the audience? When would be a good time? (This will probably be revised as you dig deeper into your topic).

Assistance: What help will you need from me or other adults along the way?

Signatures: We commit to pursue this inquiry as planned. We will have “midcourse correction” meetings and ask for help as needed. We will keep you posted on any changes in responsibilities or schedule.
